BOBATH PEDIATRIC FOR PREMATURITY WORKSHOP 2023

SPEAKER

Mr. Han Soo Noh
Bobath Instructor of the
Asian Bobath Paediatric
Association (ABPIA)

Han Soo Noh is a physiotherapist and Bobath instructor of the Asian Bobath Pediatric Association (ABPIA). He is an international director of the Korean Bobath Association and an Academic Committee member. He currently serves as the CEO of Normal Development Center in Korea. Noh has worked with children with cerebral palsy since 2008, completing advanced courses in Hong's Children Center for Cerebral Palsy and Osaka Developmental Rehabilitation in Japan. In 2017, he qualified as a Bobath senior instructor by Jung Sun Hong, PT, MPH, and was certified as a Bobath Pediatric International Instructor in 2022. Since 2012, Noh has taught Bobath courses in various countries, including the Philippines, Indonesia, India, Japan, China, and Malaysia.
