To Whom It May Concern,

It is with great confidence that I write this reference for Thiru Punithathayaparan. I have had the pleasure of knowing and working with Thiru as our physiotherapist for the past 15 months since he commenced in post on 18 March 2024, and I can say without hesitation that they are an outstanding individual.

Thiru consistently demonstrates a high level of integrity, empathy, and dedication in his role. He brings not only exceptional clinical knowledge and hands-on skill to his work, but also a genuine care for the well-being of each person he supports. His ability to build trust, communicate effectively, and maintain professionalism in every interaction is deeply valued by both the people we support and his colleagues.

What stands out most about Thiru is his calm, thoughtful nature and his unwavering commitment to helping people recover and thrive. Whether working with someone recovering from injury or managing exercise for people with limited mobility Thiru approaches every case with patience, clarity, and compassion.

In addition to being an excellent physiotherapist, Thiru is dependable, respectful, and consistently goes above and beyond in his work to ensure that there is consistency and organisation. He has contributed very positively to our Allied Health Team and fosters a supportive environment at all times.

I wholeheartedly recommend Thiru for any opportunity or endeavour he pursues. He is an asset to his profession and a credit to any organization fortunate enough to work with him.

Should you wish any further information then please do not hesitate to contact me on my email address noted below.
